Description of Event:

The 2nd Annual Day of Preparedness will provide OES and participating agencies the opportunity to host a family discovery day focusing on Family and Workplace Preparedness.

The day's events will be filled with safety demonstrations and hands-on activities (such as sandbagging and emergency kit building) for area school children and a potential visit from First Lady Maria Shriver.

Movement among the booths and demonstrations will be facilitated via a "Preparedness Passport".

Children and adults won't want to miss out on the "Preparedness Passport" – a terrific program that makes learning fun! Each exhibit or booth will feature exhibits or demonstrations designed to educate and entertain (it's the best way to learn!). They'll stand nose-to-nose with bomb dog, CERT Team Member, Fire Fighter, and much more! Attendees will receive their Passport at the Preparedness Information Booth. At each location there will be a fun learning activity/information. When done, booth attendees will stamp the passport. Attendees can turn-in their fully stamped Preparedness Passports at the Information Booth and receive a Preparedness Day Event Emergency First Aid Kit or promotional item.
